Payment Information

Deposit: A deposit of 50% must be paid in order to schedule your event.

For parties during open swim, please estimate the number you are expecting and then let us know your final count at least 5 days prior to the rental. The fee will be based on the final count, not the number that actually attends.

Refunds/Cancellations: *Cancellations must be made in writing or via email at least 5 days prior to your rental.* Deposit is forfeited if canceled less than 5 days before rental.

Rental Guidelines

Any child under six years of age or who is a non-swimmer must have an adult accompany them in the water (within arm's reach).

Outside food and beverages are permitted (no alcohol or glass). Tables and chairs can be provided in the pool area with advance notice.

We ask that parties arrive no more than 15 minutes before the scheduled party time and leave the pool area at the time designated on your rental agreement.
