A Note from the Executive Director: Thankful November is upon us. I LOVE Thanksgiving, it's the perfect time to reflect and realize all we have to be thankful for. It's a time to be with family and friends. I love being able to spend my time with the pool family. I am so thankful for all of you members of the pool. You are the reason and the joy that I have to come to work. So Thank You!!! I hope that you all are able to reflect and spend time with family and friends. Have a great day, and a Very Happy Thanksgiving
